

INSTALLATION INSTRUCTIONS

(Suggested installation instructions. Instructions vary per job site conditions)

Simply “snap” the top cap over the top of the fence and secure to the wire mesh with zip ties (included with each package) through the four (4) pre-drilled holes in each slat.

CAP HEIGHT	WIDTH	LENGTH	PIECES PER BAG	COVERAGE AREA	ZIP TIES
4"	2 1/2"	8 FEET	10	80 LINEAR FEET	40 PER BAG
