

HedgeMaster® (2" mesh — semi privacy)

HedgeMaster® is a chain link fence with "Factory Inserted Slats"™ that looks like a natural hedge that offers privacy and security. Made from 3 mil PVC that is UV stabilized to protect against the harmful rays of the sun, HedgeMaster® requires no maintenance, water or trimming and it is flame retardant.

Benefits:

- Factory inserted slats
- Superior privacy
- Cost-efficient solution for most settings
- Less installation time saves labor costs
- Low Maintenance
- Effective wind screen
- Enhances the appearance of the property
- Acts as exceptional sound barrier
- Virtually theft resistant
- Virtually unclimbable

Materials

HedgeMaster® chain link fence is constructed using 16 gauge, galvanized and braided wire and hedge-like needles made from 3 mil PVC.

Galvanized Chain Link Fencing

We fabricate our chain link mesh using only the highest grade 9 or 11 gauge galvanized wire. Our state-of-the-art manufacturing process ensures a consistent weave and product quality.

Vinyl Coated Chain Link Fencing

We also offer a fused and bonded vinyl coated chain link mesh that is color coordinated to match as closely as possible the blue spruce colored PVC needles. And, we guarantee it for years of trouble-free use.

Technical Data

HedgeMaster® Specifications	
Wind load and privacy factor - approximately (Based on wire/mesh used-stretch tension)	90%
2" x 2" Mesh	✓
Manufactured up to 8' high	✓
Available in 9 gauge galvanized before weaving (GBW) per ASTM A392 and A817, Type II, class IV wire (1.20 oz.)	✓
Available in 11 gauge galvanized before weaving (GBW) per ASTM A392 and A817, Type II, class IV wire (1.20 oz.)	✓
Available in 9 gauge galvanized before weaving (GBW) per ASTM A392 and A817, Type II, class V wire (2.0 oz.)	✓
Available in 9 gauge finish 10 gauge core fused & bonded vinyl coated wire per ASTM F668, class 2B - 7 colors available	✓
Available in 8 gauge finish 9 gauge core fused & bonded vinyl coated wire per ASTM F668, class 2B - 7 colors available	✓
Available in 9 gauge aluminized before weaving wire per ASTM A491, Type 1	✓
Available in a 25' roll 5' minimum increments thereafter	✓
Ten year pro-rata limited warranty	✓

Standard Wire Colors

Standard Slat Color

Blue Spruce colored PVC needles

Colors are approximations. Exact representation of colors is difficult. Please refer to actual color samples for accurate matching. **Samples available upon request.**

HedgeMaster® looks just like real hedge although it is much easier to maintain. It requires no maintenance, water or trimming.
