

Reflective Fence Inserts

These bright Reflective Fence Inserts alert moving traffic of an approaching fenced in area or boundary fence. Some exceptional uses include airports, hospitals, schools, commercial facility entrance ways, construction sites, or residential driveways, wherever a fence forms a boundary line.

They are also an excellent means of directing traffic when they are inserted diagonally in the chain link fence to form the shape of an arrow. Headlights reflect very well off of the slats to provide illumination of gates and fencing.

Available Colors

Exact representation of colors in printing is difficult. Please refer to actual color samples for accurate matching. **Samples available upon request.**

Features and Specifications

Design – Each insert is made from rigid white PVC strips laminated with highly reflective, abrasion resistant, weatherproof tape.

Installation – Drill a small hole at the end of each insert and thread it easily through the chain link fabric. Slip a zip tie or hog ring through the small drilled hole and fasten to the chain link fabric.

These versatile inserts can be installed either diagonally, horizontally or vertically into chain link fence and they can be inserted in front of other fence slats for maximum reflection.

Specifications – Each insert is 1.25" wide x .080" thick x 48" long. Longer lengths may be special ordered upon request - minimum quantities apply.

Warranty – 5-year pro-rata warranty against breakage under normal conditions.

Packaging

- Packaged in convenient poly-wrapped sets of 10 inserts per color (10-packs)
- Four 10-packs per box (total 40 pieces) per color (Gold, Silver or Red)
- Box size is 2" high x 5" wide x 50" long and weighs 11 lbs.
- Minimum order is 1 box (40 inserts). May combine colors in groups of 10.

Specifications - Galvanized Chain Link Mesh

Wire Mesh	Diagonal	Vertical	Horizontal
2 3/8"	X	X	X
2 1/4"	X	X	X
2" x 9 or 11 Ga.	X	X	X
2" x 6 Ga.	X	X	

Specifications - Vinyl Coated Wire Mesh

Wire Mesh	Diagonal	Vertical	Horizontal
2" x 9 Ga.	X	X	X
2" x 8 Ga.	X	X	
2" x 6 Ga.	X	X	
1 3/4"	X
