Looking for a composite alternative to Trex? Try Newtechwood.

Newtechwood is easy to install and maintain. Using lightweight aluminum posts and UltraShield® technology this composite material stays up for decades and has lasting color protection. The UH66 picket profile gives a unique look to your horizontal fence. Newtechwood offers a 25-year limited lifetime warranty against splintering and delamination.

This fence comes in 6 foot height and has the option for semi-privacy. Need a sample? Let us know and we'd be happy to send one your way!
